- Introduce Wake Up and Shake Up – (N/A cost)

- Varied after school clubs – (N/A cost)

- Fit time embedded in the timetable and active break/lunch times to help promote exercise and reduce obesity.

- Schools 4 Health continued engagement. Retain Gold Standard.

We are committed to sustaining P.E. which is why the school contributes additional funding to the received Sports Funding that we are allocated.

We will sustain P.E. via the following:-

Impact

- High quality teaching of P.E. will be sustained because all staff both Teachers and Teaching Assistants will have been trained by the sports coaches.

- Teachers are currently planning and delivering P.E. alongside the sports coaches and this is continuing professional development.

- Staff teaching skills for P.E. and confidence is and will continue to improve.

- If and when the sports coaches are no longer on the school site, the school staff will be confident and able to deliver high quality P.E teaching because of the strategic plan.
