

STAFF CODE OF CONDUCT

Our Mission Statement

*In our school, we want to celebrate God's gift of life together,
by inspiring, enhancing and developing tomorrow's talent, today!*

We respect all; aiming to achieve and live our values.

A place to allow everyone to flourish!

By working together in partnership with parents, Parish and the local Community we will:-

1. Demonstrate our faith through what we teach, the way we live and worship in our school.
2. We will provide a secure, stimulating and supportive learning environment.
3. We will set, mark and monitor work (including homework) suitable to the children's ability.
4. We will provide an annual school report detailing children's progress.
5. We will contact you if we have any concerns with your children's work, behaviour, health, attendance or punctuality.
6. We will encourage, challenge and praise children to strive for the highest standard of personal, social, intellectual and moral development and aim for excellence in all that they do.
