

Health and Self Care -

- Encourage your child to fasten their own coats
- Encourage your child to brush their teeth.
- Talk about healthy food
- Encourage your child to put on their own hats and gloves.

Literacy

Reading

- Share a book before bedtime
- Read with your child.
- Find familiar print e.g. letters from your name.

Writing

- Help write a shopping list
- Practise writing their names

Religious Education

- Talk to your child about a family celebration e.g. wedding. Provide photographs if possible.
- Discuss the celebrations they may have in church.
- Complete the learning stories that are sent home.

Physical Development

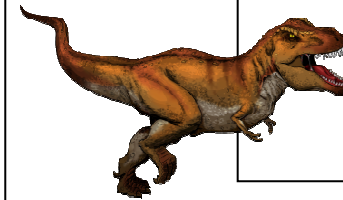

Moving and Handling

- Encourage your child to use scissors and pencils.
- Encourage to ride their bike or scooter etc...
- Practise skills such as running, skipping, jumping.

DINOSAURS

How you can help at home

Communication and Language

- Talk to your child about what they know about dinosaurs.
- Play a board game together
- Play I Spy games.

Personal, Social and Emotional Development

- Talk to your child about their day in school.
- Talk about their likes and dislikes.
- Complete Home/School link book about their family.
- Visit a museum so your child can explore the dinosaurs.
