Parents Evening

Thank you to all parents who attended parents evening this week - it was a huge success! We will hold another meeting in March for you to see the further progress made by your child.

I would also like to thank all parents who filled in a questionnaire - I was absolutely thrilled with the high levels of positivity there is out there. You also had some fantastic ideas as to how we can make things better here at St. Leo's and Southmead - more than 30 parents asked for a sports day that they could come to! So.....in the summer term THERE WILL BE A SPORTS DAY! I do not yet know the finer details of this, but will plan for it to definitely take place.

We are continuing to look at other suggestions and comments so that we can action them throughout the year, I will also contact some parents directly who have asked specific questions. Please know that your opinions are very important to us and we wholeheartedly appreciate the wonderful partnership that we have with you!

Year 6 Secondary School Applications

Year 6 secondary school applications need to be completed and sent back by 31st October. Please make sure that this is done as your child may miss out on their preferred school if the application is sent in late!
