The Year 4 children will be going for swimming lessons again starting on Monday 2nd July.

Summer Trips

We have organised to take the children out for an end of year Summer trip. The cost of transport has gone up and therefore the cost of the trip. We appreciate that paying for trips can be difficult during current times. If it helps please feel free to pay by instalments, a little bit each week.

Year 6 Leaver's Celebration (Reminder)

All parents are invited to attend a little goodbye assembly on Wednesday 18th July at 10 O'clock in the school hall.

The Children's Reports – Thursday 12th July

The children will bring their end of school year reports to you on Thursday 12th July. Please make sure that you ask your child for it so that you can read about your child's progress.

Attendance

The children's attendance has really improved which is fantastic. We have a weekly competition in school to see which is the best class for overall attendance. All classes have improved and so far this term Year 3 are doing really well. Every child aims to have 100% attendance and some children have achieved this so far for this half term so a big well done to all of those children.

Social Media

Some of the children are using social media without being supervised. They are creating group chats and are using inappropriate language which is causing upset to all. Sometimes the children have friendship issues and again are using social media in inappropriate ways. Please talk to your

children about this and please supervise them using it or even better stop them! Thank you for your cooperation with this concerning issue.

Please may I take this opportunity to thank you all for your support, help and encouragement – this is a lovely school because of the children who are a credit to you all.

Thank you

A very happy, proud Headteacher

Mrs J Grundy
