IMPACT

Swimming lessons for Year 4 children.

24 children have now completed the swimming lessons programme. 21 children can now swim. (Swimming confidence and skills vary but parents have been encouraged to continue to take the children to the swimming baths.) All children have made progress and have improved.

Sports coaches to deliver high quality P.E. lessons with the Teachers in Years 1 to 6.

All teachers have completed P.E. lessons alongside the sports coaches. Skills and Confidence have improved. Staff are now more aware of various content to provide in P.E. lessons. Next Academic year the Teachers will be able to team teach with the coaches.

School Sport Partnership.

The P.E. coordinator has attended P.E. Network meetings which produce both information and examples of good practice as well as training. Some children have been able to take part in after school competitions e.g. Football, Netball and Skipping.

School Trips with Sport Focus.

Trips were subsidised for
Skiing at the Chill Factor
Outdoor sports at Crosby Lakeside.

Resources throughout the school.

Lunch time equipment e.g. tennis balls, cricket etc. has been continually renewed.

All other Sports Focus for the academic year of 2017 – 2018 did not require additional funding.
