

St Leo's and Southmead Catholic Nursery and Primary School

EYFS Music Knowledge Organiser

Overview

Music

-In **Music** we learn to be creative with sounds, using our imagination to show feelings and ideas.

Music is about putting sounds together to create melodies, rhythms and harmonies.

Music can be made using vocal (our voices) and instrumental (using instruments) sounds.

In EYFS, early Music is found in the Expressive Arts and Design' and 'understanding the World' learning areas.

Key Vocabulary

Music
Pulse/Beat
Voice
Instrument
Rhythm
Singing
Dancing
Recording
Pitch
Volume
Tempo

WOW!

Being Imaginative (Expressive Arts and Design)

Imagination

Using your imagination is about having new ideas!

When using our imaginations, we create music that we find fun, new and interesting. We can also show emotions (how we feel). We can create music to copy familiar sounds and make new sounds.

Singing

Singing **uses our voices to make music.**

When singing, we can change the **pitch (high/low)** of our voice. We can also change the **volume (loud/quiet)** of our voice. We can create our own songs and tunes using the above (and sometimes **rhyming**).

Dancing and Moving

When we dance, we **use our bodies to move to the sound of music.**

We can move some parts of our bodies to create sounds along to the beat, for example **stamping our feet and clapping our hands.**

We can repeat some movements in a pattern, in order to create **dance sequences.** We can also dance to **show emotions and copy movements.**

Exploring and Using Media and Materials(Expressive Arts and Design)

	<p>Familiar Songs Sub-Area: Exploring and Using Media and Materials</p>	<p>Familiar Songs are songs we know well. They include: Nursery Rhymes, Happy Birthday song, Hymns, Christmas Carols, Theme Tunes, Simple Pop songs.</p>
	<p>Instruments Sub-Area: Exploring and Using Media and Materials</p>	<p>Musical instruments are objects that are used to make music. Musical instruments can be made out of many objects, e.g. spoons, pans, tumblers and boxes. Drums, Xylophone, Maracas, Triangle, Symbols, Tambourine, Guitar, Piano, Keyboard, Harp, Violin, Recorder, Harmonica, Bell, Trumpet Try to identify these instruments in music that you hear..</p>
	<p>Using Basic Instruments Sub-Area: Exploring and Using Media and Materials</p>	<p>We should know how to hold/use different instruments correctly (e.g. percussion instruments/ xylophone). Using basic instruments, we can explore by: Investigating the different sounds they make Playing along to the beat of the music Tapping out simple rhythms Changing the tempo (slow/fast), volume (loud/quiet) and pitch (high/low).</p>

Technology – part of 'Understanding the World'

	<p>Performing</p>	<p>Performing devices help us to perform and create music. Examples include microphones, speakers and computer/tablet applications</p>
	<p>Recording</p>	<p>Recording devices capture the sounds that we make, which can then be played back. Examples include voice recorders and phone/video recorders.</p>
	<p>Playback</p>	<p>Playback devices allow us to hear music after it is played. Examples include CD and DVD players, computers, television and smart phones/tablets.</p>

Basic Dance Moves

Clap

Sway

Crouch Down

Stretch Up

Click

Spin

March

Creep
