Amazing Activity

Have a bright colourful
clothes day.

Key Concepts

- What fabric dyeing techniques can we find out about?
- What are batik and tie-dyeing and can we use these techniques?
- What will we make from our dyed fabrics?
- How will we display our final products?

How can we change the colour of that fabric?

Skills

- Use a sketchbook for recording observations experimenting with techniques.
- Understand and identify key aspects such as complementary colours, warm and cold colours.
- Experiment with different materials to create different effects.
- Print on fabrics using batik and tie dye.
- Explain what they like about their work.

Curriculum Links

Literacy : Opportunities for the children to create instructions

History Link: Opportunities for the children to learn about fabric dyeing in other places and cultures and also in other periods of history.

Key Vocabulary

Definition

Tie dyeing

is a colourful pattern used on clothing. It is made by tying a piece of clothing into a tight bundle, and then **dyeing** it with various colours.

Batik

is a traditional art-form which involves using wax and dye to create beautiful and intricate patterns on cloth.
