Children in Need

Next Friday is 'Children in Need'. As always, we have decided to support this amazing charity. However we have decided to tone it down due to the restrictions in place as well as not wanting to make things difficult for our own families. Therefore we have decided to have a 'Pyjama Day' in school next Friday. Children can come to school wearing their PJ's and have a lovely day doing some Pudsey activities. We are asking for a donation of £1 which will go directly to the Children in Need charity. Please do not go out and buy new pyjamas...the ones you already have will be perfectly fine!

Cinema trip

Please remember that on Monday we are visiting the Cinema and that all children need to be in school by 8.30am. Please do not wait to wave them off as we need to make sure the coaches have space to park so that the children can get on safely. We will be leaving before 9am so please ensure your child is not late. Children should wear their uniforms. They are allowed to bring a small bag of popcorn or sweets and a drink that is not fizzy! If your child gets travel sick please make sure they have their medication before they leave home in the morning.

After School Club

Even though we have now had another week with no new cases of Covid, I am still unable to open after school club next week due to staff shortages. I understand that this is disappointing however my hands are tied as I can only open it if it is safe to do so. I am hoping to open it back up very soon and will keep you updated with where we are up to with this.

Dinner Money

Can parents please ensure that lunch money is paid up to date, the cost is £2.10 per day. Some parents may have received a letter stating that money is owed, we ask that you do not ignore these letters and contact us to discuss the matter if you are struggling to pay.

Talk Tanks

From next week all class rooms will have a 'talk tank', this is a physical tank which will have items in it to encourage our children to talk more about what is going on in the world around them. If your child does come home next week and start talking about their 'talk tank' object, please engage with them fully and encourage them to share what they have learnt...the same object will be in the tank all week so the more they talk with you the more they can engage in school.
