Skills- Digital Literacy

I can recognise that there may be people online who could make me feel sad, embarrassed or upset and know when to speak to an adult I can trust.

I can use the internet with adult support to communicate with people I know and explain why it is important to be considerate and kind to people online.

I can recognise that information can stay online and could be copied and I should not put information online without asking a trusted adult first.

I can describe how to behave online in ways that do not upset others and can give examples.

I can use the internet to find things out and use simple key-words in search engines

I can describe and demonstrate how to get help from a trusted adult or helpline if I find content that makes me feel sad, uncomfortable worried or frightened.

I can explain rules to keep us safe when we are using technology both in and beyond the home.

I can give examples of some of these rules.
