Skills

- Listen attentively to spoken language and show understanding by joining in and responding.
- Explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words.
- Speak in sentences, using familiar vocabulary, phrases and basic language structures.
- Engage in conversations; ask and answer questions; express opinions and respond to those of others.
- Broaden vocabulary and develop ability to understand new words that are introduced into familiar written material, including the use of a dictionary.
- Understand basic grammar appropriate to the language being studied, including (where relevant): feminine, masculine and neuter forms; key features and patterns of the language; how to apply these, for instance, to build sentences; and how these differ from or are similar to English.
