## History- Castles Knowledge Organiser

Summer  
Term II

### Amazing Activities

Build castles outside using cardboard boxes and recreate a battle.

### Key Knowledge

William the Conqueror invaded England.

A battle took place in Hasting in 1066.

Identify and name 'motte and bailey' castles and 'keep and bailey' castles.

Name different parts of the castle.

Castles protected the Norman invaders

Describe the features of a medieval Castle.

Name some of the people who lived in a medieval castle.

Name some of the different jobs in a medieval castle.

King Richard II introduced taxes.

Peasants did not think the tax was fair and there was a Peasants Revolt.

Taxes paid for banquets, special events, building castles and wars.

The tower of London was built as a stronghold to show how powerful the Normans were.

Motte and bailey castles were quick to build and were made from wood.

Keep and bailey castles took longer to build. They were made from stone.

Challenge:

Design a castle of your own, labelling features you have learnt about a  
  
Castle.

castle

A castle is a strong building. An important person such as a king or a ruler would have stayed there. They used the castle to keep themselves, their army and the people they ruled over, safe from attacks.

### Skills

- Place Castles and events in chronological order.
- Use phrases common to the passing of time.
- Find answers to the simple questions about Castles.
- Describe similarities and differences between Castles.
- Ask and answer basic questions about Castles
- Talk, draw and write about Castles
- Understand key features of events
- Identify some similarities and differences between ways of life in the past.
