Weekly Newsletter

Friday 18th March 2022

Science Week

This week the children have been focusing a lot on their science skills and have completed lots of fun experiments. Each class from Year 1 to Year 6 has also either been on a science trip this week or will be going in the next couple of weeks. We are delighted with the amount of science knowledge that our children have and look forward to seeing how they transfer this to their weekly science lessons in the future!

Liverpool FC

Our Reading Hero's visited Anfield this week to take part in a World Book day 2022 event. They had a really fun assembly with Ben Lyttledon (the author of Football School) and then went on to take part in 2 workshops as well as having a tour of the ground, meeting Mighty Red and seeing the silverware! Each and every one of the children were so well behaved and the LFC staff complemented them on being such good ambassadors for our school! We were so proud of them and look forward to more events at Anfield in the future.

Ukraine Appeal

This morning, the School council came with myself and Mr Clarke to deliver all of the mother and baby donations....to say the organisers were overwhelmed by your generosity would be a complete understatement!

They did stress however that their last shipment of goods for Ukraine will be leaving next Sunday, therefore we are making a change to our donation schedule in order to ensure your donations reach those in need as soon as possible. The organisers also stressed that they are in desperate need of more first aid equipment, they are in constant contact with medics at the border in Poland so are very knowledgeable of what is needed most. They have asked if we can focus on this for our final collection.

So...next week will be our last week of collections. We will be collecting anything at all to do with first aid...plasters, bandages, antiseptic creams and wipes, hand sanitisers, paracetamol, calpol, ibuprofen. And anything else first aid related you think would be helpful.

Comic Relief

Thank you for your kind donations for Comic Relief today - as a school we raised over £130, a huge achievement in light of the fact that we are also supporting the Ukraine appeal so much. Thank you!!!!

Attendance and Punctuality

We are now having a heavy focus on attendance and punctuality. Please remember that your child should be in school every day unless they are not well enough to attend. If your child is unwell you should contact the school office so that we can update the register. All children should be in school and ready to learn by 8.55am, however the doors are open at 8.45am for registration activities if you would like to get in a little bit earlier.

Reception - 97%

Year 1 - 98%

Year 2 - 95%

Year 3 - 94%

Year 4 - 94%

Year 5 - 95%

Year 6 - 99%

Well done Reception, Year 1 and 6 – Your attendance this week is amazing! Let's see if we can everybody in the green next week!
